1. Read accounts for the months of August and September 1887. The Board find that in August the receipts under Octroi amounted to Rs. 587—9—1½ as against Rs. 492—11—8½ in the same month last year, showing an increase of Rs. 94—13—5 and the expenditure amounted to Rs. 1,215—12—10. In September 1887, the income under Octroi was Rs. 616—11—10 as against Rs. 613—8—3 in that month last year, giving an increase of Rs. 3—3—7 and the expenditure was Rs. 685—9—11. Resolved that the accounts be passed.

2. Read letter dated 30th August 1887 from the Revd. Mr. B. Robinson, Wesleyan Missionary at Shimoga, in reply to a letter from the Vice-President expressing his willingness to become a member of the Board.

The Board unanimously approved of the nomination of the Revd. Mr. B. Robinson as a member of the Board.

3. Read Shimoga Amildar's Ittilla No. 181 of 30th August 1887 regarding the supply of certain articles of furniture for the use of the Shimoga Town Police Central Station.

Resolved that as the item above referred to is not included in the current year's budget and also as funds do not permit of the same being sanctioned as a special case, consideration be given to this subject at the time of preparing the next year's budget on receipt of a formal proposal with previous reference as to from which Department the last supply of furniture was made.

4. Read Amildar's Ittilla No. 201, dated 11th September 1887, submitting an estimate for Rs. 339 for gravelling roads in the Maharaja's Park.

Resolved that provision may be made for this work in the next year's budget as funds are now short.

5. Read letter from Mr. Ramaprasad Tivari proposing the extension of the Rangare street across the Pettah to join a branch of the Timmappana Koppal road and Krishnarajpur road near Kotval Katte. It is true that these projects will, besides improving the Pettah and the Town in general, work out to some extent, the Kumbargundi project. It appears that some correspondence also regarding this took place some years ago.

Resolved that the above correspondence with a probable estimate of expenditure to be incurred on account of the above projects be submitted at the sitting of the Board in January 1888 for discussion.

6. Proposed by Doctor Choksi and unanimously resolved that, if the Municipal sweepers persist for the future also in not attending to their work regularly, necessary steps would be taken by the Vice-President as regards the removal of these and substitution of others by sending for some new men from Bangalore or Mysore.

7. Proposed by Doctor Choksi, seconded by Mr. Ramaprasad Tivari, and unanimously resolved that as the task of keeping the roads in good order and preventing nuisances has become almost impossible owing to the want of summary powers especially after the withdrawal of convicts formerly detailed for work in the town, the passing of the bye-laws applied for in proceedings of 31st May and 19th July would strengthen the hands of the present Municipal staff and enable them to attend to sanitation better.

K. NAGESHA RAO,
for *President.*
